Freight charges will be added to your order.

Items are shipped by ground courier whenever possible to reduce the cost of freight. In some cases, shipping charges can be substantially higher than the cost of the product. This can happen due to the item ordered and/or the location being shipped to. Bulk orders will reduce shipping costs. Alternatively, orders can be shipped on a carrier of your choice as long as the name and account number of the carrier is provided. Paystation does not ship product by regular post. Prices are subject to change without notice.
